bluish  
black.

*Giant of the north country, James River Corporation pulp and paper mills in Berlin spew steam and enough sulfides to coin the local adage, "Want to find Berlin? Just follow your nose." High stacks help disperse odors as part of a 40-million-dollar outlay for pollution abatement. Complaints are few: The mills*

*directly and indirectly provide 2,300 jobs in the depressed north. Midstream in the Androscoggin River, man-made islets, foreground, channeled log drives in the flush days of virgin forests, when cutters denuded many of the state's mountainsides. Today, however, renewed forestlands cover a remarkable 86 percent of the state.*
